Appl. No. 10/820,992

AMENDMENTS TO THE CLAIMS

*Enty appears
Done 6-21-07*

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

CLAIM 1: (canceled)

CLAIM 2: (previously presented) A less lethal projectile adapted to be loaded into a cartridge case to form a loaded cartridge, said less lethal projectile comprising a finger-shaped woven fabric container having a closed end and an open end, said container filled with a high-density filler, a spool closure, having a bore hole therein, said spool closure located inside of the open end of the fabric container, a sealer wrapped tightly around the spool closure to seal the filler in the container, a bore-rider stabilizer which is not a part of the fabric container attached directly to the rear of the projectile, said bore rider stabilizer comprising a fabric or film having a surface with a low coefficient of friction and a binder attached into the bore hole of said spool to bind the bore rider stabilizer to the rear of the projectile.
